

## Summary of ScinoPharm Taiwan, Ltd. Submissions

Products	Major Submission Countries
<b>Small molecules</b>	
Abemaciclib	United States
Alpelisib	United States
Alectinib HCl	United States
Anastrozole	United States, European Countries, Japan, China, Australia and Canada
Apixaban	United States
Apremilast	United States
Azacitidine	United States, European Countries and Australia
Benazepril HCl	United States, European Countries and China
Bimatoprost	United States, China and Australia
Bortezomib	United States, European Countries and Australia
Brexiprazole	United States
Capecitabine	United States, Japan and China
Cedazuridine	United States
Cladribine	United States, China, Australia and Canada
Dantrolene Sodium	United States, European Countries, China and Canada
Decitabine	United States, European Countries and Canada
Docetaxel	United States, European Countries, Japan, China, India, Australia and Canada
Docetaxel Trihydrate	United States, European Countries and Japan
Elagolix Sodium	United States
Enzalutamide	United States

## Summary of ScinoPharm Taiwan, Ltd. Submissions

Products	Major Submission Countries
Flumazenil	United States, Japan, Australia and Canada
Fondaparinux Sodium	United States and China
Fosaprepitant Dimeglumine	United States
Galantamine	United States
Galantamine HBr	United States, European Countries, Japan, China, India, Australia and Canada
Gefitinib	United States
Gemcitabine HCl	United States, European Countries, Japan, China, India, Australia and Canada
Granisetron HCl	United States
Ibrutinib	United States
Irinotecan HCl	United States, European Countries, Japan, China, India, Australia and Canada
Ivacaftor	United States
Lapatinib Ditosylate	United States
Letrozole	United States, European Countries, Japan, China and Australia
Lifitegrast	United States
Nelarabine	United States
Olaparib	United States and China
Olaparib (Form A)	United States
Osimertinib Mesylate	United States
Paclitaxel	United States, European Countries, Japan, India, Australia and Canada
Palbociclib	United States

## Summary of ScinoPharm Taiwan, Ltd. Submissions

Products	Major Submission Countries
Pemetrexed Disodium	United States and European Countries
Regadenoson	United States, European Countries, China and Canada
Riluzole	United States, European Countries, China and Australia
Roflumilast	United States
SN38	United States and European Countries
Tamsulosin HCl	United States and China
Topiramate	United States, European Countries, Japan, China and Canada
Topotecan HCl	United States, European Countries, Japan, India, Australia and Canada
Travoprost	United States and China
Tucatinib	United States
Zoledronic acid	United States and Japan

\* CEP is available.

### Peptide Drug – Chemical Peptide Synthesis

Bivalirudin	United States
Glatiramer Acetate	United States
Liraglutide	United States
Octreotide Acetate	United States
Semaglutide Full Side Chain	United States
Teriparatide	United States

### Steroids

## Summary of ScinoPharm Taiwan, Ltd. Submissions
